INTEGRATING NEPA AT RFP - JEE-0082-91

The NEPA procedure defines responsibilities and information flow for NEPA. Further, the plant policy on NEPA indicates that it is everyone's responsibility to integrate NEPA early into projects, plans, and programs. We feel that the NEPA policy provides strength in that a violation of this policy could lead to disciplinary action and will thus get the proper attention focused on NEPA.

We feel that a proactive approach to NEPA awareness is warranted and we are aggressively pursuing this path. Please confirm that this is the strategy you were seeking as defined in the CPAF criteria.
